

Causes of  
the  
Decline of  
Rome

**FALL OF ROME LETTER ASSIGNMENT! DIRECTIONS:** Read “Document Packet: The Decline of the Roman Empire” and “The Barbarian Invasions.” Then, create your own diagram like the one above and fill it in. Finally, in a minimum of 250 words, write a report to the last Roman emperor, listing your top three choices for the **BIGGEST** problems faced by the Roman Empire. Using evidence from the readings, explain your choices and then predict whether Rome is doomed.
