

# **MAJOR ASSESSMENT:** Create a playable Jeopardy game or another Game Show!

**SUBJECT:** The Civil War of Course!

---

- ◎ **Directions** Working alone or in small groups, you will create a playable PowerPoint review game on the Civil War! This will count as a test grade! **Jeopardy**

## **Requirements:**

- 1) Four categories with four columns.
- 2) Each column must contain five questions w/ answers. These questions must not be overly hard or too easy! Focus on the subject matter over the past several class periods!
- 3) Links must work correctly in the game. (I will provide further explanation in class.)
- 4) You must create an additional final jeopardy round in which each team places bets on a final jeopardy question. This determines the ultimate winner of your game.
- If you would like to create a different game besides jeopardy, please check with me for the requirements. **START WITH THIS SITE:**
