

FINAL ANNE FRANK DIARY ASSIGNMENT:

- Imagine that you were there in Anne Frank's secret annex. Write several diary entries/logs totaling 350-400 words, featuring dialogues you had with Anne as well as your own stories of hiding from the Nazis, seeking to capture all Jews to send to extermination camps! Do you escape or are you sent to a camp? Be thoughtful and reflective, in the style of Anne Frank's diary! Plus, your diary must include one photo of yourself with Anne! Use photoshop or Gimp! Be creative and make it look like an old diary.
