CENTRAL AMERICA AND THE CARIBBEAN

20 Which conclusion regarding early European settlements is best supported by the information on the map?

- (1) Portugal became the dominant colonial power in South America by 1600.
- (2) Geography made the interior of South America easy to explore.
- (3) Neither the Spanish nor the Portuguese developed major urban centers in Latin America.
- (4) In 1600, most of the land in South America was not settled by Europeans.
